

E-Learning Day #2

Piano Lab

First and foremost, make sure you log onto our Zoom meeting today. On **Synchronous E-Learning Days**, we are required by the state to have most of our day using Zoom sessions or “live” class sessions.

Today’s E-Learning assignment points will be based on your participation in the Zoom meeting at the start of class.

Since most of you do not have pianos at home, there will not be a physical assignment to work on. We will meet for attendance in the Zoom Meeting, but I will not be doing an assignment for you guys today.

Additionally, since you are missing a day of practice, I will probably cut this week’s assignments down to three songs instead of four to help you meet your goal for the week.
