

PHS Band E-Learning Day - Tuesday

First - DON'T FORGET to sign in for attendance on the PHS E-Learning site! The link was provided on the band website.

Band Assignments:

All band classes and Music Theory will have the same assignment. If you are in multiple classes, you only need to do the assignment one time.

Once you have done your research, you will need to write a paragraph defining your answer. Only correct answers will be given credit. The assignment question is below:

ASSIGNMENT:

Yesterday, we learned how air temperature effects the sound waves and tuning of a wind instrument.

Today, you will learn the steps involved in making a reed for a woodwind instrument. Watch this video and then, continue the assignment below:
