

# October 4th E-Learning Day

## Period 2 Piano Lab

For today's assignment, you will need to download the attached Youtube video on correct seating and posture for playing piano.

Once you have downloaded the files, you will need to make notes based on their comments. Be prepared to submit feedback based on the following question:

**1- In a short paragraph, briefly describe the steps given in this video to correctly place your piano bench, how to sit at the piano, and how to place your hands to perform on the piano.**

Once you have made notes, go back to the E-Learning site on our website and use the "Submit Homework" link to directly send me your comments on the question listed above. Be sure to answer all three questions asked above. This link will send your homework directly to my email.
