Student Contest Information

Loading crews for this week are as follows:

Morning Crew: Flutes/Saxes

Evening Crew: Clarinets/Low Brass

Due to COVID protocols, there are no homerooms or dressing rooms available. Therefore, you must get off the bus with **ONLY** what you need to perform.

There is no way to replace anything that accidentally gets left behind. Make sure you load **EVERYTHING** you need for the event! **DON'T ASSUME** someone else is loading what you need. **DOUBLE CHECK EVERYTHING!!**

It may be cold in the evening while we wait for awards. It is totally fine to bring a blanket to keep with you in the stadium during the final part of the show while we wait for awards.

What to Bring on Contest Day

- 1- money if you want to buy concessions. Remember, the boosters will be feeding you dinner and this is not necessary.
- 2- warm clothing for after the event while we wait for awards.
- 3- make sure you have your band shoes and black socks!!!
- 4- Bring an extra reed or supplies for your instrument.
